MINI-SESSIONS

Mini-sessions are called "mini" because they are relatively short, but don't let that fool you. In each one, there is an abundance of fare — something to nourish your soul and something to improve your life. These sessions are offered by qualified women who have experienced the same doubts and questions, eagerness for improvement, and hunger for the Word of God that you have. The content of the Mini-sessions is varied — at times simple or maybe complex, sometimes light and occasionally heavy. There is time for each of us to attend three of these sessions. The difficult part is deciding which is best for you. (Mini-session speakers and topics will be printed in the Retreat Program.)

SPECIAL NOTES

- Winning Women Retreats are non-denominational and led by an all-volunteer board and staff. The first retreat was held in 1970, and, as we anticipate this retreat, our goal remains the same: that God will be glorified in all that is said and done here.
- A love offering will be received on Saturday night.
