

Donna Jones Info

Rarely does a speaker relate as easily to seekers and to veterans of the faith, but Donna Jones does. Described as “a pro on stage but with the warmth you’d expect from a close girlfriend,” Donna is “about as authentic and genuine as they come.” More than a Bible teacher, Donna is a self-described Bible *explainer*.

A colorful storyteller, she combines Biblical truth with real-life anecdotes. Her messages not only help listeners to understand God’s Word, but, most importantly, to grasp how to live it out in real life. Donna is an author, a national and international speaker, and she teaches a large weekly Bible study in her home church. Visit Donna’s website at <https://donnajones.org/>
